Mail payment and registration form to: Horticulture & Natural Resources, Attn. Charles Barden
1712 Claflin, 2021 Throckmorton, KSU, Manhattan, KS 66506

We request that participants stay in double rooms. If you have a preference for a roommate that will be attending, please indicate their name here: _____.

If, for some reason, you need to have a single room (i.e. C-PAP or other condition), we will try to honor that request within the limits of our room block. Please indicate a request for a single room here:

Conference organizers will provide the room list to the hotel. You do not need to contact the Casino Resort directly.

Thanks to our grant funding, we can provide \$500 travel scholarships to the first twenty tribal college representatives registered. You may select to receive these funds as a travel reimbursement or an honorarium. Either method will require you to complete a W-9 form with your social security # at the conference. Travel reimbursement will require airfare and in-transit lodging receipts, and mileage estimated from Google Maps. No receipts are required for honoraria, but it is considered taxable income.

Two free shuttles will be available from the Green Bay Airport, picking up attendees at 10:00am and 11:30am Wednesday (8/15), and returning to the airport on Friday (8/17). If you need a shuttle ride, please indicate the time, and your flight information.

Wednesday 8/15/18: 10:00am 11:30am

Airline and flight #: _____ Arrival time: _____

Special accommodations? Please indicate: _____

Your name and contact information will be provided to attendees at the Summit unless you opt out by checking this box.
